COVID-19 GUIDELINES

FOR VENDORS, VOLUNTEERS, PERFORMERS, AND GUESTS OF ASIAN FESTIVAL ON MAIN

First, if you are feeling sick or if you know you have been exposed to coronavirus in the prior 14 days, please do not attend the Asian Festival on Main (AFM) event.

AFM guests, vendors, staff, volunteers, and performers will be asked to comply with Virginia Governor Ralph Northam's social distancing orders and safety guidelines and all COVID-19 health and social distancing requirements designed to protect event guests, staff, and volunteers:

- Stay home if you are experiencing any symptoms of illness.
- Maintain social distance from vendors, customers, and event managers.
- Customers should refrain from touching goods offered for sale. Vendors will bag all purchases.
- Contactless payment is preferred (credit or debit cards).
- Do not linger—be respectful of other event guests and vendor work areas.
- Use designated entrances and exits.
- Point of sale keypads should be disinfected before each use and to the extent tools or equipment must be shared, they should also be disinfected before and after use.
- A dedicated seating area is available for event guests who purchase food.
- Tables will be routinely disinfected every hour by event staff or volunteers.
- All vendors and individuals will have access to alcohol-based hand sanitizer.
- Vendor sampling is discouraged.
- Masks should be worn by unvaccinated event guests and food vendors.

The Asian Festival on Main Event Committee and the Old Town Fairfax Business Association will have masks for volunteers and staff. We will also provide masks at festival entrance for those who request them, and alcohol-based hand sanitizer throughout the event area. PPE supplies are being generously donated by one of our sponsors, [Twins Ace Hardware – Fairfax](#).
